THE ORIGINAL KellyBronze® BRED TO BE WILD AND STILL THE BEST

## ROAST TURKEY

The KellyBronze Turkey is by far the most popular Christmas bird which we stock. KellyBronze are highly recommended by chefs and food writers including Jamie Oliver, Michel Roux Jnr and Delia Smith.

A 5kg KellyBronze turkey will cook perfectly in 2hrs!

Compared to a 5 kg standard turkey which requires 3hrs 50mins! Purchasing a full flavoured quality KellyBronze not only saves your time

it also saves on the price of energy!

The KellyBronze has been at the forefront of our festive produce for more than 20 years. It is much more than a breed of a bronze turkey. The unique texture and taste is achieved by rearing the birds slowly and longer on a natural diet roaming freely in woodland.

Outstanding value, a KellyBronze Turkey yields more than 50% more breast meat than a standard Free Range or Organic equivalent, meaning you receive more meat for your money with KellyBronze.
